CREDO OF A WORLD CITIZEN

A World Citizen is a human being who lives intellectually, morally and physically in the present. A World Citizen accepts the dynamic fact that the planetary human community is interdependent and whole, that humankind is essentially one. A World Citizen is a peaceful and peacemaking individual, both in daily life and contacts with others. As a global person, a World Citizen relates directly to humankind and to all fellow humans spontaneously, generously and openly. Mutual trust is basic to his/her lifestyle. Politically, a World Citizen accepts a sanctioning institution of representative government, expressing the general and individual sovereign will in order to establish and maintain a system of just and equitable world law with appropriate legislative, judiciary and enforcement bodies. A World Citizen brings about better understanding and protection of different cultures, ethnic groups and language communities by promoting the use of a neutral international language, such as Esperanto. A World Citizen makes this world a better place to live in harmoniously by studying and respecting the viewpoints of fellow citizens from anywhere in the world.

AFFIRMATION

I, the undersigned, do hereby, willingly and consciously, declare myself to be a Citizen of the World. As a World Citizen, I affirm my planetary civic commitment to WORLD GOVERNMENT, founded on three universal principles of One Absolute Value, One World, and One Humanity which constitute the basis of World Law. As a World Citizen I acknowledge the WORLD GOVERNMENT as having the right and duty to represent me in all that concerns the General Good of humankind and the Good of All. As a Citizen of World Government, I affirm my awareness of my inherent responsibilities and rights as a legitimate member of the total world community of all men, women, and children, and will endeavor to fulfill and practice these whenever and wherever the opportunity presents itself. As a Citizen of World Government, I recognize and reaffirm citizenship loyalties and responsibilities within the communal state, and/or national groupings consistent with the principles of unity above which constitute now my planetary civic commitment.
